

Australian Government
Attorney-General's Department

26 April 2022

Dear Mr Dickson

Freedom of Information Request FOI22/058 – Decision letter

The purpose of this letter is to give you a decision about your request for access to documents under the *Freedom of Information Act 1982* (the FOI Act) which you submitted to the Attorney-General's Department (the department).

Your request

On 27 March 2022 you made a request to the department in the following terms:

THE REQUEST

The Constitution provides a power to fund health services only, and as a power to regulate health is absent I seek the enumerated head of power or source of authority the Federal Government relies upon to recommend Covid-19 vaccines and booster shots.

The department acknowledged your request on 30 March 2022 advising you a decision in relation to your request, made on 27 March 2022, would be due 26 April 2022.

My decision

I am an officer authorised under section 23(1) of the FOI Act to make decisions in relation to freedom of information requests made to the department.

In making my decision, I have taken the following into account:

- the terms of your request,
- advice provided to me by officers with responsibility for matters to which your request relates,
- the provisions of the FOI Act, and
- the Guidelines issued by the Australian Information Commissioner under section 93A of the FOI Act (the Guidelines).

Section 24A of the FOI Act relevantly provides that an agency or Minister may refuse a request for access to a document if all reasonable steps have been taken to find the document and the agency is satisfied that the document:

- is in the agency's possession but cannot be found, or
- does not exist.

When considering a decision to refuse access under section 24A of the FOI Act, the Guidelines relevantly provide at paragraph 3.89 that an agency or minister should take comprehensive steps to locate documents, having regard to:

- the subject matter of the documents,

- the current and past file management systems and the practice of destruction or removal of documents,
- the record management systems in place,
- the individuals within an agency or minister's office who may be able to assist with the location of documents, and
- the age of the documents.

To identify the documents for your request, I undertook comprehensive searches of relevant departmental information holdings. In particular, I interrogated the department's records management system using search terms which were developed with reference to the information provided in the scope of your request. Despite these efforts, no relevant documents were identified.

Having regard to the above, I am satisfied that reasonable steps to locate the documents to which you have sought access were undertaken. I am also satisfied that the documents do not exist within the department's records holdings. I have therefore decided to refuse access pursuant to section 24A of the FOI Act.
